# Copying and sharing

Colourpoint isn't part of CCEA, it is a private company that employs five people in Newtownards.

Please remember, when books are copied or put online no-one gets any income for the efforts made creating them.

Copyright Licensing Agency (CLA) is, however, a great help triggering payments both to us and to our authors.

Our authors are teachers like you and don't benefit when their work is copied outside the CLA framework.

Copyright can be difficult to appreciate, but please work with the CLA as they seek to log details.

The CLA helps to future-proof the creation of resources for you, your colleagues and your students for years to come.

We are proud to be a local company that is producing resources for local schools. Thank you for all that you do.
